I FEEL
SLOVENIA

Slovenia heart of Europe

Slovenia is the first country in the world to be declared a **green destination** based on the Green Destinations Criteria. Situated in the heart of Europe, Slovenia is a boutique country between **the Alps, Mediterranean Sea**, mysterious **Karst** with more than 11,000 karst caves and **Pannonian Plain**, rich in healthy water springs. We are also proud that our capital Ljubljana was awarded the **European Green Capital 2016** title.

Slovenia, the only country with the word LOVE in its name!

Slovenian Istria

The wine-growing district of Slovenian Istria lies in the rolling hills along the coast and extends from border with Italy-Debeli Rtič and Croatia-Sečovelje. Due to extraordinary natural conditions, the meticulous Istria wine growers have been cultivating oenology and viticulture traditions for over a millennium.

Vinakoper, has kept these traditions alive by operating in 10 sunny wine-bearing Vineyards, which extend across 590 hectares of Istrian soil.
